

The Steeplejack and Lightning Protection Training Group

2018 Apprenticeship Applications

Course dates

Steeplejack –

20th November 2017 – SJ42A

5th March 2018 – SJ42B

Lightning Conductor –

8th January 2018 - LC24A

12th February 2018 – LC24B

Application Process

If you have not yet registered the details of your apprentices, please email their names to lucy.smith@citb.co.uk and then follow the procedure below.

1. Log onto <http://www.bconstructive.co.uk>
2. Register your apprentices details for an Apprenticeship via the 'apply now' tab and complete the 6 sections of the application form, then select 'apply now'
3. The SLE test is no longer a CITB requirement for the recruitment of Apprentices – it will now be the employer's decision if they want their candidates to sit this
4. If you would like your applicants to sit the SLE please follow the link - <http://www.citb.co.uk/citb-apprenticeships/online-sle/>
5. Please note that there is a maximum of 8 on a Steeplejack course and 10 on a Lightning Conductor course. Places are first come first served.

Deadlines

The deadlines for placing your apprentices on the above course dates are detailed below, and after this time, places will be open to all for anyone wanting extra places.

SJ42A – deadline for booking – **25th September 2017**

SJ42B – deadline for booking – **8th January 2018**

LC24A – deadline for booking – **17th November 2017**

LC24B - deadline for booking – **15th December 2017**

Please be aware that by emailing CITB your apprentice details that this does not guarantee your place until you have applied online.
